**The Beauty of
Wood ...
Unsurpassed by
Nature**

**Discover the
rough-hewn texture
and look of real wood
shakes, but without
the vulnerability to
the elements. For any
home – a country
cottage to modern
ranch – these
wood-like, finely
designed shingles
bring natural beauty
to your home.**

Armourshake

LIMITED LIFETIME ARCHITECTURAL SHINGLES

For a rooftop that stands above the rest, the classic and elegant Armourshake performs far better than any asphalt shingle in its class.

With the natural look of real wood shakes, Armourshake stands out for its ability to defend your roof against the fierce elements of nature. Wood roofs can turn to gray in as little as five years as the sun strips them of their natural resins. By deflecting harsh sunlight and resisting algae, Armourshake shingles boast a good-as-new appearance years after installation.

This premium heavyweight, laminated shingle is set in an intricate shake-look design and detailed with eye-catching color contrasts.

Depth of character, finely crafted details - For a roof with architectural distinction, Armourshake's deep cuts and dimensionality will captivate you, adding classic charm to your home.

Color Featured: Greystone

Shadow Black

Greystone

Weathered Stone

Chalet Wood

Western Redwood

- More fire resistant than typical cedar shakes
- To ease installation, must be used with Armour Starter, an accessory flat-strip embedded with granules that coordinate with Armourshake's colors
- So strong it has a UL 2218 Class 4 Impact Resistant rating.*
- 15-Year IKO Iron Clad Protection¹
- Covered by a Limited Lifetime Warranty¹
- Meets IRC wind code requirements; Limited Wind Warranty coverage up to 110 mph (177 km/h)¹
- Limited High Wind Warranty Upgrade of 130 mph (210 km/h)^{1,2}

¹See Limited Warranty for complete terms, conditions, restrictions and application requirements.

²High Wind Application is required.

* This impact rating for Armourshake shingles is solely for the purpose of enabling residential property owners to obtain a reduction in their residential insurance premium and is not to be construed as any type of expressed or implied warranty by the manufacturer, supplier, or installer.

Selecting a Color For Your Roof

To ensure complete satisfaction, please make your final color selection from several full size shingles and view a sample of the product installed on a home. Be sure to look at the color samples of all materials in natural sunlight, at different times of day to ensure that your color choices are complementary. Colors shown in printed materials may not be accurate, and color chips do not reflect the dramatic color blends of the full shingle.

Product Specifications	Length	Width	Exposure	Coverage Per Bundle	Standards ¹	Limited Warranty ¹	Iron Clad Protection ¹	Limited Wind Warranty ¹	Limited High Wind Warranty Upgrade ^{1,2}	Algae Resistant ¹

Note: All values shown are approximate. ¹Product is designed and tested to comply with ASTM/CSA Standards at time of manufacture prior to packaging. ¹ See Limited Warranty for complete terms, conditions, restrictions and application requirements. ²High Wind Application is required. * This impact rating for Armourshake shingles is solely for the purpose of enabling residential property owners to obtain a reduction in their residential insurance premium and is not to be construed as any type of expressed or implied warranty by the manufacturer, supplier, or installer.

Shingles alone are sometimes not enough to protect your home. IKO has developed a superior multi-layered roofing system incorporating our industry-leading products.

IKO's Pro 4 Roofing System is setting the standard in protecting your home.

IKO's Shingles

Crowne Slate, Armourshake, Royal Estate, Cambridge AR and Marathon shingles are created using the industry's most advanced technology and selected by consumers who demand the best in terms of quality, durability and value. Along with one of IKO's quality shingles, your Pro 4 System includes these accessory products;

1. Eave Protection

GoldShield, ArmourGard, or StormShield Ice & Water Protectors
IKO's Ice & Water Protectors provide a second line of defense against water penetration due to ice dams or wind-driven rain and the costly damage it can cause. This product is also strongly recommended for sealing around vents, low pitch areas, ridges, hips, rake edges, chimneys, dormers, vent stacks, and skylights.

2. Underlayment

RoofGard-Cool Grey Underlayment
Use our innovative RoofGard-Cool Grey synthetic underlayment for total deck protection.

3. Roof Starters

Leading Edge Plus Starter Strips
Fast, easy and convenient. IKO's Starter Strips are already cut to size saving valuable time during the installation of the first course of shingles. Compatible with all existing IKO Shingles, Leading Edge Plus includes a sealant strip at the bottom edge allowing for a tight seal.

4. Ridge Cap Shingles

Hip and Ridge, Hip & Ridge Plus, Hip & Ridge 12 Cap Shingles or Ultra HP™
High Profile Ridge Cap Shingles
Ridge cap shingles are required where roof planes meet, and provide additional protection along these high stress areas of the roof, enhancing your home's aesthetic appeal by accentuating the roof line.

Shingle Swatches shown are as accurate as modern printing processes allow. Shingle chips shown do not fully represent the entire color blend range of the shingles. To ensure complete satisfaction please make your final color selection from several full size shingles and view a sample of the product installed on a home.
